Fant took the Floor and told Council that this Resolution was necessary to give our consent to place the latest round of annexed industrial projects into the multi-county Industrial Park. Fant reminded Council that in order for us and the County to enter into the Infrastructure Reimbursement Agreements we had to place the property into the multi-county industrial park. Fant reminded Council we had done this for all the other industrial projects. After that Fant answered a couple various questions from Council. Then Mayor Rogers asked for a Motion to Approve Resolution # R-20210618-1. A Motion was made by Councilmember Clopton and her Motion was followed by a Second from Councilmember Cowen. Next Mayor Rog Rogers called Town Administrator Cameron Fant to the Floor for Resolution # R-20210618-2, a Resolution to approve an Annexation Agreement between Spartanburg

County, South Carolina and the Town of Duncan, South Carolina. This Agreement addresses service agreements between special tax districts and municipalities when a municipality annexes property in the service area of a special tax district pursuant to Title 5, Chapter 3 of the Code of Laws of South Carolina, 1976, as amended. Fant took the Floor and told Council that this Resolution was necessary to give our consent to correct the millage rate for or IRA fee agreement for several projects that were located in the Duncan FSA. Fant told Council that these economic development properties have subsequently been annexed into the Town of Duncan. In order for the correct millage rate to be included in the fee agreement, an annexation agreement is needed so the millage rate code can be revised in accordance with the S.C. Code of Laws.
